

DSH TESTIMONIALS

"Can't remember how we came across DSH Cards, but I am glad we did. During the 3 years we have used them for Morwell Football Netball Club they have helped us implement a members card system that now works 100% on match day to record our members attendance with our cash register system. Cards look great and are customised for our members, making them feel a special part of our Club.

In terms of delivery I have never found a supplier with such a quick and efficient turnaround time, we order a bulk order at the start of the season then a few smaller orders as our new members join up.

I could not speak more highly of the team at DSH cards."

- Brendan, Morwell Football Netball Club, VIC

"The Lalor Football club has now used the services provided by DSH for the last two years in the supply of our membership Cards.

Firstly their approach and information was second to none and gave us no choice but to look into the options, once we went down that path the decision was made. Their prompt return with ideas, samples, a great price and then to have the finished product on our door step all within a week is the main reason why we wont look be looking at any other supplier!"

"I would like to thank you again on behalf of the Dandenong Football club for our membership cards. There is no doubt that the service you provide is excellent and prompt. Our current major sponsor really likes the way you have incorporated the discount offer onto the card as well as our fixture so as he doesn't miss our home games. Look forward to dealing with you again soon."

- Serena, Dandenong Redlegs Football Club, VIC

"This is the first year we have used player membership cards and even we were surprised at how popular they are! Originally we ordered them for the junior teams, but we have since had to order membership cards for our Lion's Den (Supporters Group), our Social Club and also now offer them to our Senior men and women players who wanted them too. I highly recommend using player membership cards as an effective form of communication of events/fixture and to give to players.

DSH have been excellent in meeting our ever changing and growing demands for cards. Price efficient, very quick turn around time and highly professional in the cards presentation.

The Deer Park Football Club are extremely satisfied with these player cards and will continue to use them in the seasons to follow."
